FAQs

How will I know that I have been placed in the program?

Please answer all the questions on this form. Once payment is received, the Director will reach out to you to confirm your place in the program.

Can I pay per lesson instead?

PianoForte operates on a monthly subscription basis. We are unable to facilitate individual lessons. However, if you are starting after the first week of the month, we can prorate your subscription for that month.

Can I pay cash?

Yes. If you would like to pay via cash or check in person, you can do so at the beginning of the month. Please note that tuition is due the 1st of the month.

Will my subscription auto-renew?

No. You will need to pay your tuition by the 1st of the month in order to retain your spot.

Do I need to bring anything to the lesson?

You will need the Theory Book and Lessons Book appropriate for your level (which will be determined during your trial lesson). These books can be purchased on our website.

If I am late to a lesson will the time be made up?

If you are late to a lesson, there is a 10-minute grace period before the lesson is cancelled without refund. If you arrive less than 10 minutes late to a lesson, the time missed will not be made up because it would not be fair to the next student scheduled.

What if I need to withdraw from the program?

If you need to withdraw from the program for any reason no refund will be issued if you do not complete your lessons within the time limits outlined within the package. However, if you need to stop taking lessons or take a break at any time, a two-week notice is required. If you wish to take time off, you may do so but there will be no guarantee of your time slot when you return. Teacher availability will determine your spot at that time.
